

The background of the top half of the slide is a photograph of a blue ocean with white-capped waves. A thin, light-colored horizon line is visible. Above the horizon, there is a series of vertical lines of varying heights, resembling a measurement scale or a wave gauge. On the left side of the slide, there are three horizontal white lines.

Challenging wind and waves

Linking hydrodynamic research to the maritime industry

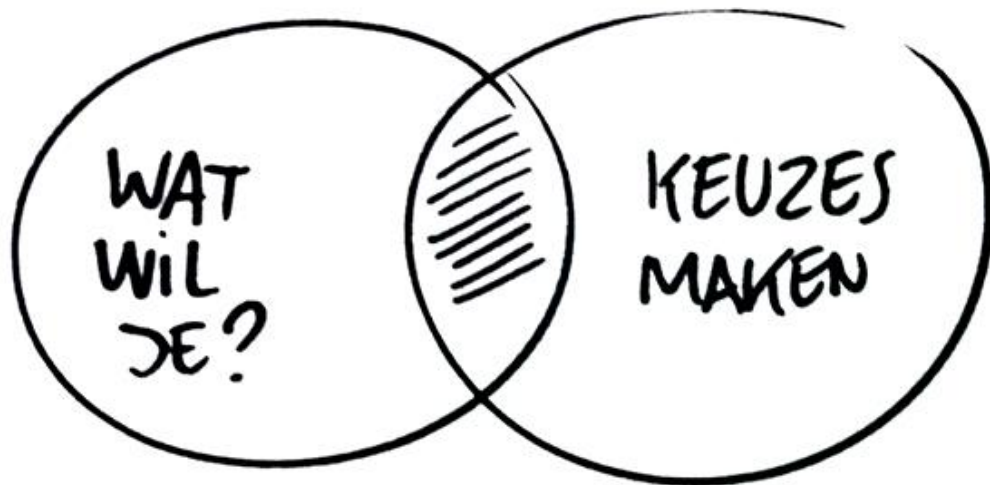

The bottom half of the slide has a plain white background. On the left side, there are three horizontal white lines.

HET GEHEIM VAN EEN WINNEND VOORSTEL

Maarten Flikkema

Senior Project Manager - MARIN

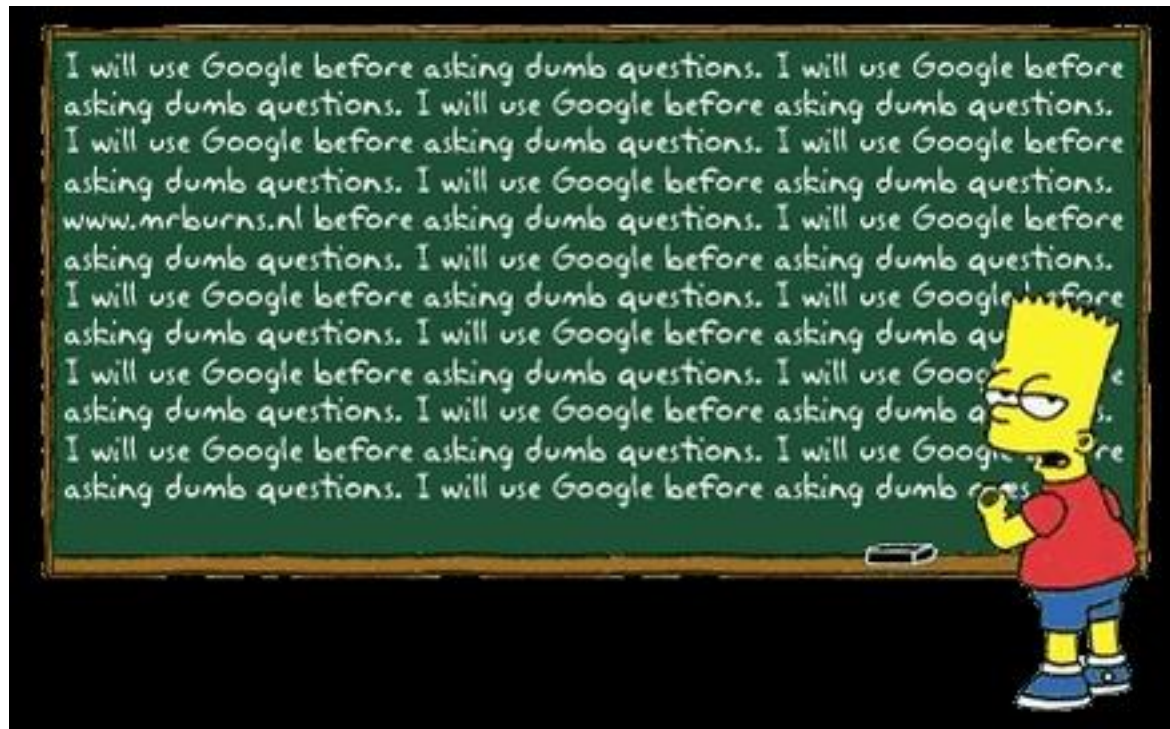

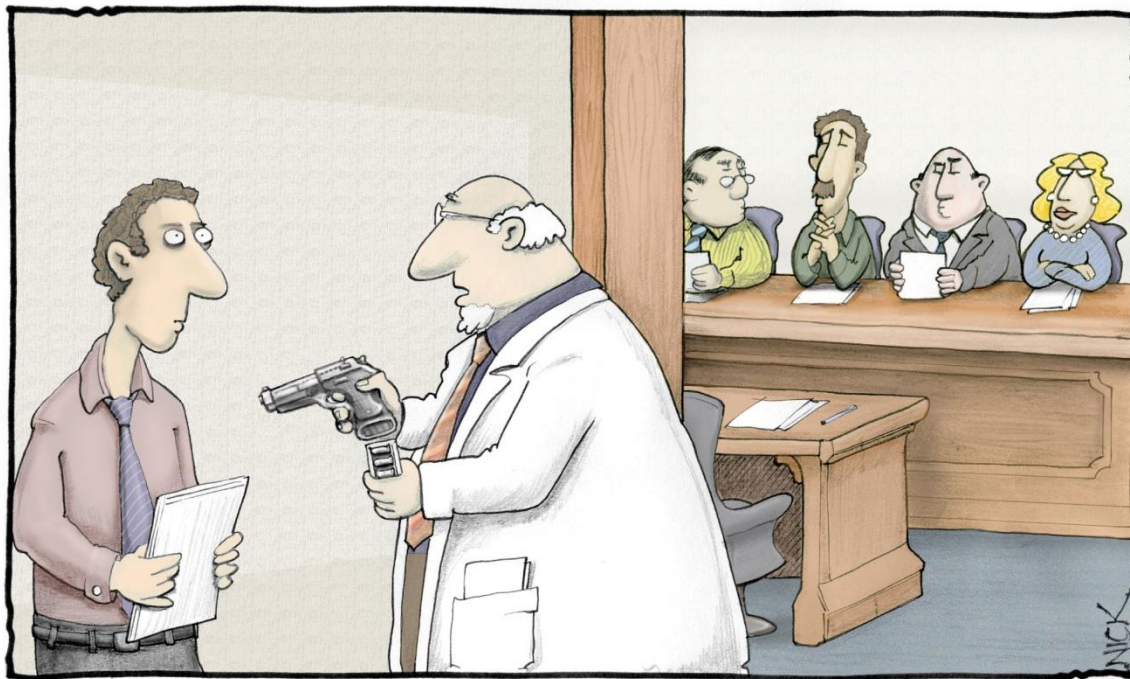

"Change of plan. The policymakers say they're only willing to listen to the science if we can present our ideas in simple bullet-point format."
